- 1 Evaluation for Conformity, as required, shall be carried out by a Recognised Conformity Evaluation Agency. Costs associated with Evaluations for Conformity are not included in CSIRO Verification Services – ActivFire® Scheme fees and are subject to a separate agreement between you and the Recognised Conformity Evaluation Agency.
- 2 Fees indicated above do not include Australian Goods and Services Tax (GST). GST is applicable only to businesses registered in Australia. GST is not applicable to businesses not registered in Australia.
- 3 All fees are subject to review from time to time and will be confirmed upon request at the time you request the Services. Any changes to fees will be published on the ActivFire® web site.
- 4 If your Attestation of Conformity does not meet the requirements for verification under the ActivFire® Scheme Rules, you will not be entitled to have the Product listed in the Register of Fire Protection Equipment. In such cases the Fees remain payable and the Deliverable will be notification to you that the Attestation of Conformity could not be verified.
